

About the theme:

The Pharma and healthcare sector is witnessing a steady rise in the number of niche start-ups that are changing the healthcare scene in the country. The \$ 100 bn Indian healthcare market is expected to grow at 23 per cent CAGR to reach \$ 280 bn by 2020. Increasing spending power, improving healthcare facilities, and advances in medical science are triggering factors for Pharma Start-ups in India. Pharma Start-ups are working on multiple aspects of the drugs from discovery to delivery. Understanding current scenario, it is evident to make Pharma students aware on opportunities and challenges in Pharma Start-up.

About APTI:

APTI established in 1966, by the leading personalities like Prof. M. L. Schnoff, Prof. G.P. Srivastava and others of pharmacy colleges of those days is an organization whose heart beats for the pharmacy profession. Earlier teachers' aims were to do the best for their own students; Later, all the teachers came under the umbrella of APTI; where the teacher's contribution could be utilised both at micro levels with multi dimensional professionalism. APTI Maharashtra is working for the welfare of pharmacy teachers.

About DBCOP:

Under the leadership of Late Shri Vitthalrao Balpande, Ambe Durga Education Society has started Dadasaheb Balpande College of Pharmacy at Besa, Nagpur in 2006 to offer quality Pharmacy education to socially and economically backward population of the region. Bachelor of Pharmacy course was started in 2006 with the intake capacity of 60 seats. With the constant quest for excellence, DBCOP introduced Master of Pharmaceutics and Master of Pharmaceutical Quality Assurance course in 2012. As a result of hard work of students, staff and management DBCOP carved its own mark by achieving several laurels, approval of higher learning center (Ph. D) at DBCOP and NAAC accreditation are few of them.
