Guest lecture on "A Key to Success"

Dadasaheb Balpande College of Pharmacy had organised a guest lecture on 'A Key to Success' in the college seminar room on 15/10/19. The resource person for the session was **Dr. Dilip Patwardhan, President, Jivan Vidya Mission Mumbai**. The felicitation to **Dr. Dilip Patwardhan** was done by Principal **Dr. (Mrs.) Ujwala Mahajan**. The session began with the interaction of the students with the guest.

He presented different statistics regarding the population, education, job scenario etc. so that the students will become aware of the current scenario. In order not to feel frightened from the statistics, he enlightened the students with the power of confidence and positive attitude.

According to him, "If we have a positive attitude, self-confidence and commitment to complete our goal, we can do anything." He also encouraged students to dream and to be courageous enough to live that dream. He also guided students for self-development and how they can be more effective both in industry and in society.

He also shared some secrets to success like setting the right goal for self and developing an action plan, developing the foresight etc.

Students learnt the key concepts to be successful and were very motivated by this lecture. Courage to achieve success developed in students. The session ended with vote of thanks given by Mrs. Vijayshri Rokde. That was well appreciated by all the students.
