

Program / Celebration Report

Name of the Program Conducted: Science week and Science Conference

Relevant Occasion: Science day

Date: 28th February to 5th March 2022

Venue: DBCOP Seminar Hall

Relevance to POs: I, IV, V, VI, IX, XI.

Objectives:

1. To encourage students for participation in different scientific events.
2. To explore the idea of students for model, museum.
3. To showcase their innovative research.

Beneficiary: Staff and students.

Program organizing committee:

National Science Day is celebrated in INDIA on 28th February every year to mark the discovery of the Raman Effect by Indian physicist Sir C.V. Raman on 28th February 1928. The theme of this year's National Science Day was "Integrated Approach in Science and Technology for Sustainable Future". Science week was celebrated followed by Organization of Science Conference on occasion of Science day during 28 Feb to 5 March 2022. This was great opportunity to all the students to showcase their innovative research ideas in accordance with Idea Club of Institutes Innovation Cell (IIC) and Research and Innovation Cell (RIC). The Science Week was formally inaugurated in hands of Dr. Parag Burchundi, Principal Research Scientist, Boditech Med Inc., South Korea, and Dr. N. A. Raut, Professor, Department of Pharmaceutical Sciences, RTMNU, Nagpur on 2nd March 2022. During this event, Idea Club competition were organized which included Scientific model competition, Scientific museum competition and e-posters competition and for this, the students were encouraged to portray new sustainable ideas through E- Poster, Models and Museum which were displayed and evaluated by the expert panel. Dr. Parag Burchundi, and Dr. N. A. Raut evaluated models displayed by the students in Pharmacognosy laboratory. Different notable scientific models prepared by students
