Program Report

Name of the program Conducted: Intellectual Property Rights for Start-up

Event: Workshop on 'Protecting Intellectual Property Rights & IP Management for Start-up

Date: 06/04/2025

Venue: DBCOP Conference Hall

Relevance to POs: I, III, VI, VIII

Objective:

1. To create awareness among students for start-ups and entrepreneurship about various types of IPRs and their significance in innovation and business growth.
2. To provide practical guidance to students on identifying, registering, and managing IP assets strategically from the ideation to commercialization stage.

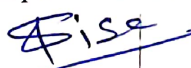

Beneficiary: Students

Program Organizing committee: IIC

Program Outcome: Through this program, the students get motivated about implementation of government schemes and institutional support available for start-ups under India's IP and Start-up policies (e.g., Start-up India, SIPP scheme). Also a culture of innovation and ethical business practices started inculcating in students through responsible and informed IP management.
