Program Report

Name of the program Conducted: IP and Music: Feel the Beat of IP

Event: World Intellectual Property Day

Date: 26/04/2025

Venue: DBCOP Conference Hall

Relevance to POs: I, III, VI, VIII

Objective:

1. To make students aware about importance of Intellectual Property Rights in music industry.
2. To encourage students to make their career & research IPR oriented as Career in IPR has huge opportunities like Patent Agent, Trademark Agent etc.

Beneficiary: Students

Program Organizing committee: IIC

Program Outcome: Through this program the students were able to understand that how Music industry is revolutionizing globally & Intellectual Property Rights like copyright, trademark rights are becoming a concern. Music is not just art—it is innovation protected by IP. The students can understand how copyrights, trademarks, patents, and licensing support musicians, composers, producers, and entrepreneurs in turning ideas into careers and industries. They can implement this in current studies, research projects and thesis.
