

Ambe Durga Education Society's  
**Dadasaheb Balpande College of Pharmacy (DBCOP)**  
Near Swami Samarth Mandir, Besa, Nagpur-37

## Publication Policy

Students and Faculty Members of DBCOP are advised to follow following guidelines while publishing their manuscript.

1. Submit your manuscript for publication in journal preferably international journal with impact factor or journal indexed in Scopus, PubMed, or abstracted in International Pharmaceutical Abstracts, Chemical Abstracts.
2. Before submission of manuscript to any journal, check your manuscript for plagiarism detection, this facility of plagiarism checking is available with DBCOP research cell. No manuscript shall be communicated to any journal which fails in plagiarism.
3. Before submission of paper for publication or conference presentation, authors should provide details to committee on contribution of authors to avoid ghost authorship.
4. While publishing books, please check for publisher who has strong publishing history with national / international presence.

### How to identify International Journal?

- Editorial board consists of experts from different countries.
- Each published issue includes articles by authors from different countries.

### What is Impact Factor?

- Internationally accepted standard parameter given by Thomason Reuters for evaluation of journals.
- No other Impact Factors shall be considered other than Impact Factor given by Thomson Reuters.

### Publication / Registration Charges:

- Authors are eligible to avail financial support for their publication and presentation.

### Conditions to avail Publication / Registration Charges:

- Author (s) should submit proof of acceptance / publication of paper to Research committee.
