Name of the Program Conducted: Online Webinar

Speaker: Mr. Ambarish Ghatate, Director, Manas Ayurveda and M.D., Aura park, Nagpur.

Relevant Occasion: World Earth Day

Date: 21/04/2022 **Venue:** Online platform

Relevance to Pos: I, II, III, IV, V, VI, VIII, IX, XI

Objectives:

1. To create awareness about protection of our planet.
2. To explain the conservation of medicinal plants.

Beneficiary: Students, Institution

Program organizing committee: Institutions Innovation Council

Program outcomes:

World Earth Day is celebrated to create awareness about protection of our planet i.e., earth from things like pollution and deforestation by taking part in activities like picking up litter and planting trees to make our world a happier and healthier place to live. The guest lecture attended by 138 students and through this guest lecture the students got the actual scenario and working requirements of plant collection and its conservation. Through this guest lecture the students got the information about plantation and cultivation methods of plants. In the video shown by the guest the students got knowledge about the medicinal plants and its uses along with their formulations.
