

Program / Celebration Report

Name of the Program Conducted: Brainstorming Competition on the topic 'What shall be the technological Advancement in the next 100 years'

Relevant Occasion: National Technology Day

Date: 11/05/2022 **Venue:** Online platform

Relevance to Pos: I, II, III, IV, V, VI, VIII, IX, XI

Objectives:

1. To create awareness about the technological advancement in future.
2. To remind Indians of the country's technological advancement.

Beneficiary: Students, Institution

Program organizing committee: Institutions Innovation Council

Program outcome:

National Technology Day is celebrated to create awareness about technological advancement and to recognize technological advances in multiple areas. For the celebration of this day the institute organized online brainstorming competition on the topic 'What shall be the technological advancement in the next 100 years'. The 19 students participated and submit five imaginations of technological advancement on google form. Through this competition the students developed knowledge, creative power and awareness about science and technology.
